

On-line purchases and donations - Via Pay Pal

Throughout this website there are many points where there have been links to BUY NOW buttons for purchase of walking direction, downloads etc.

As a result of health issues with the business owner we have had to presently suspend all on-line transactions. We have cancelled the Pay-Pal buttons and although there may still be BUY NOW buttons on the website they will not accept your order or payment.

We will be working towards removing all website buttons but until these are removed do not use them as they will not work.
